**General Note**

In addition to the hazards/risks normally associated with the types of work detailed on this drawing and noted in the Designer Risk Assessments and health and safety plan, note the following:  
- It is assumed that all works on this will be carried out by a competent Contractor working where appropriate, to an approved method statement.  
- Where applicable, significant residual risks are highlighted in the body of the drawing.

**Safety, Health and Environmental Information**

All levels and dimensions are approximate. Detailed site surveys must be carried out by Contractor before commencement on building works. All levels and dimensions to be confirmed on site.  
All existing drawing information is indicative and subject to the detailed site survey. Drawing is for information only.  
Do not scale from this drawing.  
This drawing is copyrighted.
