NEW CUSTOMER SERVICE CENTRE IMPROVEMENTS

Radius continues to work hard behind the scenes, using feedback from our tenants and stakeholders, to continually improve the range of services we offer.

Our customer service centre is one area of the business that has recently undergone significant change, moving to better office space, introducing new technology and recruiting additional staff.

The Customer Service Centre is made up of a team of 20 staff who are available to take your call when you need to report a repair.

On average, the CSC can answer up to 1,300 calls and log around 900 repairs each week.

The Customer Service Centre is open from 8am-5pm Monday to Thursday and 8am -4.30pm on a Friday to report repairs.
